EVENT MASSAGE

Trade Show *results*

We started providing event massages back in 1999 and became the in-house provider at the Orange County Convention Center in 2002.

We know how important it is to draw quality attendees to your exhibit… for each of them to spend ample time and have a memorable experience while visiting… and to leave feeling good about your product or services?

With our years of experience and professional service, we can help you achieve those goals!

"FREE MASSAGES"

Two Powerful Words That Get's Results!

Whether you provide a product or a service… "free chair massages" in your exhibit will help increase your exposure, improve your imagine, and build goodwill, which cannot be undersold.

Attendees normally put in long hours and long days during most big events, which generally results in sore bodies and fatigued minds. So giving them "free massage" puts you at the top of their list and a guaranteed hit at any event.

Your team was excellent and very good. They helped us have a successful event.
Jim McGuire, KPMG

Thanks to both therapists, they were wonderful and the event was a huge success because of their services.
Becky (Jenkins) Pugliese, George P. Johnson

You all were fantastic and a joy to work with. We heard rave reviews on your work and will definitely look to you again in the future.
Kylee McCullough, EPIC Entertainment

Thank you so much for everything. We had a great show and really appreciated everything Toy brought to the table. Not only was she an excellent massage therapist, but she was also very friendly and personable to be around and she was helpful to us at the booth in a variety of additional ways. Very pleased with the experience overall and we won't hesitate to contact you again for another trade show.
Carrie Mackerwicz, Fuel Direct

From set up to finish the entire team did a great job and the team members of Presence were raving about the massages afterwards. The looks on everyone's faces when they got up from their massage was a look of total relaxation so I would say job well done!
Steve Reinstein, Presence Marketing
